Mr. Joseph A. Bell President's Commission on the Assassination of President Aennedy 2000 Maryland Avenue, N. L. Washington, B. C.

Dear Sir:

In answer to the question shout Sepaty heriff Roger Greig I think this is the same Sepaty who came to youter office during the 'essaid investigation, but I don't remember his were being in any office. I have talked with the different officers, Fr. Mass, Fr. Sopd, Lk. 7. L. Saker and others who remember his counting into the outer office, and 44, haker remembers calling me out of the office to speak to this sam as he was an officer and and no doubt been C. 1.14 fint the outer office by the officer guarding the

The window in the front of my private office is approximately all inches by Af inches. I am sure this man standing in the outer of other inches and the secting female, as there would only be a distance of six feet from this window to where Densell only in the office of the section of the se

The other part of his story I remember very little about as someone else interviewed him, and I never felt that his information was of any value.

Very truly yours,
